

Welcome to STEP-1

20th December, 2104
Soka University
Hachioji Tokyo Japan

This unique international workshop is:

□ hosted by:

Special Interest Group on Applied Electrostatics,
The Association of Powder Process Industry and
Engineering, Japan (APPIE)

□ cooperated by:

Special Interest Group on Particle Charging Control,
Society of Powder Technology, Japan

Statistics:

□ Canada	1
□ USA	1
□ Australia	1
□ UK	1
□ France	1
□ Finland	1
□ Thailand	1
□ China	2
□ Japan	4

Static-Tribo-Electricity of Powder

□ Chemical Engineering	8
□ Physics	1
□ Chemistry	1
□ Mechanical Engineering	1
□ Tribology	0
□ Electric Engineering	2

Housekeeping announcements

- Front door
- Toilet
- Beverages/Snacks
- Lunch
 - Group photo before lunch
- Dinner
 - Bus@17:20
- Smokers

Program:

- 20 min. each
 - Keep 5 min. for discussion
- Single track meeting
- Coffee breaks

Program:

Session 1	Industrial Electrostatics chair: Tatsushi Matsuyama (Soka University, Japan) Poupack/Matti
Session 2	Electrostatic Interactions chair: Shuji Matsusaka (Kyoto University, Japan) Boonchai/Masami
Session 3	Modeling chair: Peter Ireland (The University of Newcastle, Australia) Khashayar/Mojtaba
Session 4	Charge Transfer Mechanisms chair: Daniel Lacks (Case Western Reserve University, USA) Masato/Li/Tatsushi
Session 5	Granular Charging 1 chair: Poupak Mehrani (University of Ottawa, Canada) Jun/Daniel
Session 6	Granular Charging 2 chair: Li Xie (Lanzhou University, China) Peter/Shuji

Enjoy STEP-1!
